Halloween Mix Map CD1 + CD2

Lines run from the end of a track to tracks it mixes into well: measured tempo at both ends, key, energy, vocal overlap, phrase length, groove. Up to 4 per track at score 0.75+, always including the best 2 on the other disc.
BPM is measured (an asterisk = the tempo differs at the two ends, outgoing shown); key is Camelot (? = unsure); H = Halloween track, as on the discs.
